INFORMATION REPORT INFORMATION REPORT

S-E-C-R-E-T

50X1-HUM

Att.No. Subject

1. A one-page report on naval vessel sightings in the vicinity of Arkhangelsk [redacted]. Sightings include: three destroyers (no details) and a POLUKHIN-class auxiliary vessel.
2. A two-page report on naval vessel sightings in the Barents Sea [redacted]. Sightings include: two destroyers, [redacted] and four probable W-class submarines. One of the probable W-class submarines had a "bulbous arrangement" on the bow (no further details). 50X1-HUM
3. A four-page report on naval vessel sightings off the Murman Coast in the Barents Sea [redacted]. Sightings include: a probable W-class submarine [redacted] a possible SKORYY-class destroyer [redacted] and two submarines, [redacted] 50X1-HUM
4. A two-page report on naval vessel sightings in the Barents Sea [redacted]. Sightings include: a submarine about 250 feet long, with a very large and long conning tower, which emitted large plumes of whitish brown exhaust; and a possible W-class submarine, [redacted]. Report includes four rough sketches of these submarines. 50X1-HUM

U.S.S.R.
Naval
Russian Warships at Archangel

[redacted] three destroyers were seen leaving Archangel and proceeding seawards. 50X1-HUM

Sea Area [redacted] (Photographs No. 1, 2 and 3)

Proceeding down river from Archangel.

No. 16/17 Sawmill.

Good visibility

Restricted observation.

One squat funnel close to bridge with a prominent
crows nest.

Approximately 250 ft.

One pole mast rising from after end of bridge.

Curved break under funnel.

Stripped of all guns.

Covered in patches of red lead and a number of
civilians onboard each vessel.

2. Photographs 4, 5 and 6 are of various small naval craft that were
seen fairly frequently steaming on the river between Archangel and the open
sea. No description was obtained of these vessels.

50X1-HUM

U.S.S.R.NavalWarships - Northern Area

[redacted] off the Murman Coast, a 50X1-HUM
 surface vessel with a patrol type vessel was sighted with a submarine not
 far distant which had apparently recently surfaced although not actually
 seen to do so.

The following are particulars:

50X1-HUM

One mile to seaward steering 128° at an estimated ten
 knots (finally lost to sight in a rain squall).

091° 14 miles from BOLSHOI OLENI Island North West

Light. Steering 128° ten knots.

Clear weather with occasional rain squalls.

Unrestricted.

Large, rectangular viewed from the beam - no projections.

Flush hull with no deck fittings [redacted]

50X1-HUM

No aerals.

No Radar seen.

No masts seen.

50X1-HUM

No domes seen.

Abaft the conning tower and entering the submarine at the

base of the conning tower, partially into the casing and

partially into the conning tower was a pipe set at 30° 50X1-HUM

to the vertical. The pipe reached to a height estimated

as two-thirds of the height of the conning tower. [redacted]

[redacted] as similar to a torpedo tube pointing
 upwards.

No guns visible.

Estimated length 300 ft. No opportunity to estimate beam.

[REDACTED]

One and a half miles to seaward cruising round at slow speed.
091° 14 miles from BOLSHOI OLENI Island North West Light
steering 126° at 10 knots.
Clear weather, with occasional rain squalls.
Unrestricted.
Two funnels.

[REDACTED]

Estimated 400 ft.
Two masts. Foremast tall and forward of foremost funnel.
Mainmast short and forward of after funnel.
Step abreast foremast.

[REDACTED]

Radar on both masts.

[REDACTED]

2.

[REDACTED] two submarines of the same class

were sighted in company and appeared to be on patrol.

The following are particulars:

[REDACTED]

Two miles to seaward.
108° 23 miles from BOLSHOI OLENI Island North West Light
steering 128° at 10 knots.
Clear weather with rain squalls.
Unrestricted.

[REDACTED]

Vertical sides forward and aft.
Flush hull tapering from bow to stern - painted grey
with white line above waterline.

[REDACTED]

Radar on mast at after end of conning tower (one other
mast or periscope next to it).

2. Two submarines were sighted on the surface [redacted]
through a heavy concentration of fishing trawlers.

Sea Area [redacted] (See sketches Nos. 1 and 2)

50X1-HUM

69° 37.5' N 34° 12' E. Estimated course 220° Speed 16 knots

69° 43.5' N 34° 11' E. Course 126° Speed 12 knots.

Light NNW Breeze Slight Sea Moderate swell. NE and SE

horizons dark and heavily overcast. S.W. horizon very clear.

Visibility good. [redacted]

Horizon

distance 8 - 10 miles.

Free to observe.

Very large and long conning tower.

Very strong plumes of exhaust gases, whitish brown in colour.

Visible as shown in sketch. These were visible 20 minutes

after submarine was below horizon. Estimated height of

plumes 60 - 70 ft. Stern view as shown in sketch No. 2.

Flush hull tapering aft to the waterline. Estimated

length 250 ft. Dark grey hull.

50X1-HUM

3. Sea Area [redacted] (See sketches 3 and 4)

69° 42.5' N. 34° 16.5' E. Estimated course 220° speed

8 knots.

69° 43.5' N. 34° 11' E. Course 126° Speed 12 knots.
